All walkers will leave the building through Door 4 . Please have a designated meeting place for your child to meet you. Older siblings are allowed to walk younger students home. Otherwise, kindergarten students must be met by an adult at Door 4 .	The PM pick-up procedure is a double line of cars along the curb at the front parking lot. The line is sectioned off so that we can safely load eight cars at a time. Please write your child's first and last name clearly on a sheet of paper and put it in your front window so that we can call your child to the loading area.	Bus riders will exit the school at 3:15 PM and will find their bus color by exiting Doors 8 and 10 . The new bus parking lot will be located off of Benton St . Please plan to have an adult waiting at the bus stop for kindergarten students to ensure that they arrive safely.
