Music Boosters derives none of its funding from student fundraising. Fruit sales, football parking, and the like are fund-raisers for specific music groups. Band, Orchestra, and Choir fundraising activities benefit those groups directly and are the responsibility of the school. Music Boosters funds benefit music students in all music activities at each school, and are completely separate from school activity funds.

Music Booster Meetings

Music Boosters meets two times a year to plan activities and make decisions about funding projects. Meetings are held at 7:00pm in the orchestra area of the junior/senior high school, just inside the south parking lot door, up the stairs, and to the right.

One meeting per semester will be held with the dates to be determined. Please check yes if you would like to receive an email reminder for these meetings.
