

## Online Enrollment for Parents who already have a student attending WLCSC schools

If you already have a student attending West Lafayette Community School Corporation schools, you should have a Family Access login for Skyward to check your child's grades, make lunch payments, and so on. You can also Online Enroll your Kindergartener for next year. Login to your Skyward account, and at the top of the left-side menu will be a link labeled, "New Student Online Enrollment". Click that link to begin the enrollment process.

There are 4 steps of information that must be completed, but a lot of information will auto-fill based on the information we already have for your other student(s) that attend WLCSC. Please verify that all of the information is correct before proceeding to the next step. After each step, ensure you click the button to "Complete Step x and move to Step y:"

Please note that for Step 3 > Emergency Contacts, we ask that you provide AT LEAST two emergency contacts.

**Complete Step 1 and move to Step 2: Family/Guardian Information**

Once all 4 steps have been completed, you may finish the online enrollment process by clicking the button to "Submit Application to the District".

**Submit Application to the District**
